Skyscraper

Arriving at this home in downtown Chicago, you’re sure to be charmed by the typically Chicagoan high rise. Gaze down on the city above, and delight in the central location in the North River district – it's famous for its abundance of galleries and arty culture. You’ll be within walking distance of the luxurious Gold Coast neighbourhood too, where you’ll find tree-lined roads filled with upmarket boutiques. Luckily, you won’t have to go far to bring back your shopping, and you’ll be pleased to return to the comfortable sofa to rest your legs after a day out exploring. After preparing a home-cooked meal in the shiny kitchen, sit out on the balcony with a glass of something cold and watch the sunset over the city skyline.
