Address: Marina Marina

Bedrooms: 1 Bathrooms: 1

Marina Marina

This minimalist yet chic apartment is located above Dubai's beautiful marina and includes scenic views of the carved waterways and their surrounding epic architecture. The apartment itself features an elegant, open-plan design with unique touches that add a sense of character, such as the mid-century style furniture, plush rugs, and geometric artwork. This is the perfect base for anyone looking to explore all that this city's astounding built environment has to offer, whether you're here for the world-class golf, the Michelin rated restaurants, white sand beaches, or dazzling nightlife. Arriving home after a day of exploring Dubai's luxurious offerings, you'll find the ample bedroom with king size bed, en-suite, and sweeping views provides all the comfort you need for a restful sleep. Come morning, take your coffee out to the private balcony before heading to the building's shared gym for a

workout, or to the pool for a refreshing swim to start your day.
