Eye in the Sky

Looking out over to the Dubai Eye and Arabian Gulf, this luxurious apartment invites you to experience the city in style. You're a short walk from the Dubai Marina's countless boutiques, fine-dining restaurants and cocktail bars, with plenty of Dubai's bucket list sights right at your feet. Stepping into the apartment itself, it's a bright and practical space that sets you up for seamless modern living. The open-plan living area connects the apartment, making it easy to host, cook, and entertain with your friends and family. And of course, you'll also have access to a private balcony, expanding your communal space and creating the perfect spot for morning coffees. If you can pull yourself away from the terrace, the building's luxurious amenities are well worth checking out. Spend sunny afternoons bobbing about in the swimming pool or work off last night's three courser in the on-site gym. Afterwards, take some time to explore the city from your desired location. You’re just a short walk from the Palm Jumeirah's exclusive sandy beaches, blanketed by charter yachts and highrise buildings, while the Dubai Mall and Burj Khalifa are easily accessible via public transport.
