Convenience is key at this stylish apartment in Chicago's trendy River North neighbourhood. The home is set up for both working from home and relaxing - there's even a Whole Foods on-site to stock up on supplies for dinner. In the evening, unwind on the comfortable couch in front of the flat-screen television. The living space is an ideal place to relax, decorated in neutral tones that are brightened up with plants and art. On the weekend, there's plenty to do nearby - walk to Oak Street Beach for a stroll in the sand, or check out some of the city's best shopping, dining and entertainment that's just footsteps away.
