Glossy Heights

Standing proudly in the centre of New Dubai's most desirable neighbourhood, this three-story villa provides a panoramic view of Dubai Marina, with its shiny yachts and glistening waters. Here, you'll be just a short stroll from a Dubai metro station, where you can travel downtown and visit the famous Burj Khalifa. This home sits on a lovely resort, with a shared pool and gym for you to enjoy. Inside is bold and impressive, with luxe decor speckled with Arabian touches. The floor-to-ceiling windows let you soak up that striking city vista – and there's a rooftop terrace here for when you want a clearer view, with a bar so you can sip on a glass of fizz while you gaze out.
