Paradise by the Sea

Surrounded by nature and overlooking the Ionian coast, it's impossible not to relax in this contemporary villa. There are so many holiday boxes this home ticks – a private pool, sun-drenched terraces, alfresco dining opportunities and sea views – what's not to love? If the sight of the sea has you itching to explore, it's a mere five-minute drive to Kontogialos beach, where besides the sand and sea, tavernas and bars await. With a selection of other hidden coves dotted along the coast, and Corfu Town a short drive away, you'll never be lost for things to do.
