Basic Hotel

This comfortable hotel combines functionality and friendly service and is the ideal place for a short business trip or a relaxing holiday in the Penedes. The air-conditioned establishment welcomes its guests to well-appointed rooms where they can unwind by watching a movie, browsing the internet thanks to the WiFi internet access or just stretch and nap on the cosy bed. For the perfect start of the day one can treat him/herself to a freshly baked pastry and a strong coffee from the onsite cafe, before heading out to explore the area. There are plenty of things to do and see around the venue since it sits only one kilometre from Vilafranca del Penedès, capital of the Alt Penedès wine region and the so called “queen of Cava”. Those who are looking for some sun and sand will be just a 20-minute drive from the Vilanova i la Geltrú beach.
