Jumeirah Living Marina Gate

Jumeirah Living Marina Gate is an exceptional destination for urban living in Dubai's upbeat Marina. Sitting boldly in the waterfront, it exudes energy and exclusivity. The 104 residential suites have been designed to maximize views of the stunning waterfront, with high ceilings and full-height glass window walls that provide guests with a sense of freedom. Relax by the infinity pool overlooking the

Marina, one of Dubai's most coveted areas. In the state-of-the-art gym, a team of athletic experts train with the latest gym equipment. The little ones set off to the recreation area and park, where they connect with their community and create new adventures. At the centre of hotel sits Amara Lounge and Business Centre, a fantastic space for professional meetings, a quick bite or lunch with friends, a multidisciplinary concept where residents can connect and recharge at their own leisure.
